On Christmas, spending many words is just wasting them. All we can and must do is getting stunned by the miracle of a God who makes himself baby! I really wish you to understand this true nature of Christmas. Of course, I pray for you to have a very, very, merry Christmas, and a joyful new year!

Lots of HUGS!

Emrullah, Tepe

Hey Emma, could you ask Alex and Jay if they remember a girl who called them like a crazy at the HP Premiere in London this summer: I was in the first row in front of the entrance of the Odeon and Jay looked at me really badly, even from inside the cinema, I don't know if I scared or embarrassed him (he probably didn't think he would have been recognized) as he almost escaped but I really just wanted to give him a card for you! Tell him I'm sorry for upsetting him! ;)

Merry Christmas and Happy New Year Ems, enjoy college and as the Swedish journalist told you "Hope you stay out of" jail "!" ;)

with love,

Dear Emma,

My name is Isabella, I am a girl of almost 14 years of Bergamo (near Milan).

When it left the first book of J.K. Rowling, I have not read because it was not my kind, then for a summer homework I started reading it and I was very passionate ... and in about three months I read them all!

You are legendary! Not to brag, and no offense, some 'are alike: you are very good at school and I also, I dress BURBERRY and I love LONDON!

Waiting for the seventh film of the magnificent saga of Harry Potter I wish you the happiest and friendly wishes for Christmas.

Love, Isabella

Dear Emma,

I wish you, your friends and family a wonderful and magical christmas. I hope you enjoy these days. And that you do something nice with your friends and family around christmas day. Not only I wish you a wonderful christmas. But also a good 2010. Let's hope 2010 will be a wonderful year. A good year on school and a good year with new film projects. So cheers on christmas, on 2010, and mostly on you.

A Christmas and New Years great!!!

Merry Christmas Emma!

I sincerely hope your first term at Brown was enjoyable and that the Americans have treated you well.

Be safe for the New Year!

Heath, Christmas

Dear Emma,  
My name is Dgr (not exactly, but who cares).  
You know, it's definitely impossible to write down what you mean to me in a single letter.

It feels like useless telling you how beautiful, talented you are (but I think so) and other trivialities millions people will be writing you. All I can do now is wishing you a merry Christmas and a tremendous new year at college. I know it's very unlikely one day we'll meet each other, but I still want to hope. In the meantime, the best I can do is wishing you to find your happiness, real happiness.

Best wishes,  
Dgr, Italy

Just one more thing, thank you.

P.S. I think you should come in Italy, your Italian fans will be very happy. Don't forget it!

Hi Emma,  
I wish you a fantastic Christmas and a great 2010! I hope you're doing well at college and that you're fine with your choice. I just want to say thank you; for your cheerfulness, your bright nature and your smile that make my days better. I really hope to be able to meet you someday. Merry Christmas again.

Greetings,  
Dario, Italy

Arielle, USA

Dear Emma,  
I'm verry happy because this year i have the chance to wish you a merry Christmas! I'd like to take this opportunity to also wish you all the best for your studies and for your future, no matter what you will do, and to say you're special, i love your style, your unselfishness, your cheerful nature, i admire you so much for that. Sorry if i was boring repeating you these things you've already heard so many times, for sure.

I really hope to see you at Deathly Hallows Premiere in November. Merry Christmas and a happy new year Emma!

Your sincerely,  
Ezio, Italy

Merry Christmas!

Milad, Iran

Dear Emma,  
first of all i would like to wish you a merry merry Christmas and a really happy new year, and also all the best for your future projects. Secondly, i want to thank you. Thank you for all of your smiles and all the emotions you gave us over the last nine years, for every single time you made us smile. Thank you for always being so kind and down-to-earth, really nice and polite. I wish i could keep writing, but this is just a Christmas greetings card and i've already been far too wordy.

Happy Holydays again,

Hi Emma. It's that time of year again. 2009

Hi Emma! My name's Pia, I'm 13 and I'm one of your Italian fans... I live in Matera, a beautiful town placed in southern Italy, where films such as Mel Gibson's "The Passion" and Catherine Hardwicke's "The Nativity Story" have been shot. During Christmas time the center of Matera (so-called "Sassi", "Stones of Matera" in English) looks like a "living" Nativity Scene. It's amazing.

I wish you a Merry Christmas and a happy new Year.  
Love, Pia.

My Christmas wish to you.

Here is my Christmas wish to you  
Hold it close and it may come true

Receive that special Christmas glow  
Perhaps even some Christmas snow

Find Christmas spirit in your heart  
That's where Christmas has to start

Find joy in the love that you share  
Giving at Christmas shows we care

Enjoy the day with family and friends  
A heartfelt Christmas that never ends

Keep Christmas each and every day  
You may smile more but that's ok

May Christmas live inside of you  
And show in all you say and do

Find joy in all that you receive  
It's possible when you believe

Merry Christmas Emma ;)

Merry Christmas ...!

You're the best ...!! a great actress!  
This is a poem for you ..

Hyacinth and Apollo

You are the infinite, veiled by  
Orchid flowers from registers of  
Our paradise.

Ambitious marigolds, are born  
Remorse thunder dilating  
And visionaries.

It stifles the spirit of Apollo in  
Blood hyacinth now drunk  
From my Phoenicians.

Massimo, Italia

Dear, Emma

I found this poem and it reminded me of you. I wish i could send you a candle that could remind you of the warmth and love your fans have for you. thank you for being you and for making many people happy. enjoy this Christmas with your family. My friend once told me that Heavenly Father never gives you something you can't do. (i don't mean to soundy preachy but just remember that when ever you are faced with something you think you can't do)

*Candles Are a Gift of Light*

*Candles are a gift of light,  
A tiny sun, a bit of star.  
No other dancer in the night  
Dances with such sheer delight,  
Little souls serene and bright,  
Each a glimpse of what we are  
Shining innocent and pure.*

Happy Holidays!

Hi Emma,

I just want to wish you good luck at college and for your career...

You know, i think you're a wonderful person. You are a role model to me, you've been managing both work and study ever since. I admire you for that...

Finally, make me a promise: you must come to Italy. Just so i can see you perhaps, it would be amazing. Promised?

Merry Christmas and a Happy New Year!

Love from Italy,  
Davide

Another Christmas is coming and another year is ending.

You showed us again and again how good you can be and how you can make people change. You helped us all with your good thoughts and gratitude. You did an amazing thing in Harry Potter 6 and I must say that I will be heartbroken when the Harry Potter series will end. I grew up with you all and I adore all you ever did.

Christmas time is the time to share good thoughts and gratitude to people all around. I am showing mine with this message. Thank you for everything you did for us your fans and I hope that one day I will be able to meet you and tell you this bowing and thanking you. Have yourself a Merry Little Christmas as the song says with friends, family and all your loved ones.

I thank you again Emma Watson for all you did and for all these amazing years; for showing us love and gratitude and for making us be kind and caring. Remember we are always with you and will be. In everything and anything.

Love you Emma Watson.

Merry Merry Christmas and all the best to you and your loved ones.

Alin Cesar, Romania

"I may not always say it but hopefully you see it... I love you. No tree, no gift, no dinner, no holiday, no other thing or person... can ever replace your value in my life. You are a gift to me. Merry Christmas."

May the Christmas season  
fill your home with joy,  
Your heart with love  
and your life with laughter.  
I love you the most happy christmas

HI EMMA! I'M FRANCESCO  
AND I LIVE IN ITALY.  
MY CITY IS CALLED RIMINI  
AND IT'S FAMOUS FOR HIS  
BEACH.  
EVERY SUMMER MILLIONS OF  
PEOPLE COME HERE FOR  
THEIR HOLIDAYS!

RIMINI WAS AN ANCIENT  
ROMAN CITY, SO THERE ARE  
MANY MONUMENTS OF THEIR  
AGE, LIKE THE AUGUST ARCH  
AND THE TIBERIUS BRIDGE.

IN RIMINI WAS BORN ONE OF  
THE BEST ITALIAN DIRECTORS:  
FEDERICO FELLINI (FOR ME HE  
IS THE BEST).  
MAYBE YOU KNOW ONE OF HIS  
MOVIES: "LA DOLCE VITA".

WE LOVE CHRISTMAS!  
THERE ARE A LOT OF LIGHTS  
IN THE STREETS, AND IN THE  
MIDDLE OF THE PRINCIPAL  
SQUARE THERE IS A BIG  
CHRISTMAS TREE!

EVERY YEAR THERE  
IS A LIVING NATIVITY  
SCENE. ALL THE  
CHILDREN PLAY THE  
ANGELS, THE SHEPHERDS  
AND THE OTHERS  
CHARACTERS OF THE  
SCENE.

YOU CAN SEE THE BIG  
NEW YEAR'S EVE PARTY ON  
THE ITALIAN TELEVISION  
FROM RIMINI.  
THERE ARE A LOT OF PEOPLE  
AT THAT EVENT, TOO!

EMMA,  
MERRY CHRISTMAS  
AND HAPPY NEW YEAR FROM  
RIMINI!  
FRANCESCO.

Merry Christmas to the one I love,  
Even on this day of love for all,  
Remembering the love of one whose call  
Redeemed all those whose hearts his love  
might move.

Yet only one love does my spirit prove,  
Chosen in a passion like a squall,  
Having in such ecstasy with all.

OHOHOHOH Merry Christmas, Emma.

Hey, Emma! I hope you have a fantastic Christmas holiday, and that you have a lot of fun with your family and friends. Remember, Christmas is about Christ's birthday, so have fun celebrating his birth! Merry Christmas! :D

-Sarah, Canada

La la la...la la la...la. Lol.

Wow, already Christmas. It's time for me to shovel. Yeah! Not so far then this week, the 9<sup>th</sup>, I shoveled during three days. Mmm...this is Quebec. 35 centimeters, we love it, even if the half of the population goes in the south for vacation :p But school is almost finished!! Only one day and I can relax. My technique (a professional diploma very useful in Quebec) is hard, but so interesting! All I learn about animals, just the first year. Yeah, I'll probably assist a veterinarian later, or researchers : p I'm excited. Or work in a Zoo!! :D Ah well, dreams, dreams. It's one of the only way to stay happy :) To hope, isn't it? Anyway, I hope you're fine, that you like university. By the way, how is it? I'll probably never go there so, I don't know what it looks like. I hope you like your program. Well, I would like it; we have this in common ;)

Ok, Merry Christmas Emma, have fun, love your family and your friends and don't forget to dream. Don't loose yourself as well, stay grounded. We love you like that. And love your cats lol. And if you have other animals, take care of them. They will always be there when you'll feel sad. Even a rat! Trust me, brilliant creatures and so cute. Can you imagine a blue-grey rat, with big ears like Dumbo? Yeah, that's my Namie, a cute and so funny little female.

Continue your good work. You're right to like this job. Theater is great. I would not be an actress, but I love to play.

Happy Holidays again.

Greetings,

Solaine from Quebec

Merry Christmas Emma!!

Hope you have a wonderful holiday with you family! I can't wait till the next Harry Potter film comes out!! You are an amazing actress as well as a great person! Enjoy Christmas and New Years!

### MY CHRISTMAS WISH FOR YOU

My Christmas wish for you, Emma  
Is not a simple one  
For I wish you hope and joy and peace  
Days filled with warmth and sun

I wish you love and friendship too  
Throughout the coming year  
Lots of laughter and happiness  
To fill your world with cheer

May you count your blessings, one by one  
And when totaled by the lot  
May you find all you've been given  
To be more than what you sought

May your journeys be short, your burdens light  
May your spirit never grow old  
May all your clouds have silver linings  
And your rainbows pots of gold

I wish this all and so much more  
May all your dreams come true  
May you have a Merry Christmas, Emma  
And a happy New Year, too.

**Pitty**  

Ignorin' U

(Chorus)

I am ignoring you  
 I will ignore you  
 I am ignoring you  
 I will ignore you  
 'Cause your heart is so  
 Full of this shit  
 And I will ignore you

Don't bring me your sorrows  
 Don't bring me your jealousy  
 Don't drown me in your mood  
 That kind of thing you do  
 'Cause I was not born to be  
 The princess up the tower  
 Oh, you can't keep me  
 Quiet and tied in this bloody cage

(Chorus)

I am not waiting for  
 A prince on a white horse just to save me  
 I know I have to do by myself  
 And this time I will be free

I am ignoring you  
 I will ignore you  
 I am ignoring you  
 I will ignore you  
 'Cause your heart is so  
 Full of this shit  
 And I will ignore...  
 I will ignore...  
 I will ignore you  
 Ignoring you (x2)

Pitty is THE brazilian rock girl baby \,,/  
 This is her only music in english  
 but I hope you enjoy her.  
 And the message for Christmas is:  
 be always that princess you are,  
 so sweet and cute and  
 helping people like you can.  
 Don't bother to be an example  
 just because you're famous.  
 You rock! Have a marvelous 2010!

Hey, well, every passing year becomes more difficult to me to express, or write, in this case, something for you.

I just wanna say that I wish the best for you, you'll always know that there a lot of people out there who love you unconditionally and no matter what, I'll always be with you.

This is a poem I wrote for you. I sent it once, in the Christmas letter, last year.

You've got the face that I want to see  
you've got the voice that I want to hear  
you've got the hands that I want to feel  
you've got lips that I want to kiss  
I see your face when I look the stars  
you've rescued me from my lonely world  
you've captivated me with your shiny soul  
you've enchanted my dreams with your lovely being  
My inner was dry but you've sprinkled it with love  
like an angel who stands beside me  
you're now my new reason for living  
I will like to contemplate your being  
and fell something much more deep  
I don't know how'd this become so intense  
if I don't even really know you  
Although I feel you near... far away you are...

Merry Christmas!!!  
Javier, Buenos Aires, Argentina

Happy Christmas Emma!!! Hope uni is going well and you enjoy a well deserved christmas break! Can't wait for Deathly Hallows!!!

## Vampire's Kiss

The darkness surrounded us like a gentle kiss  
While you struggled, helplessly.

Tears poured down from your red soaked eyes  
unto my lips

And an ecstatic feeling ran through my old,  
withered body

Those tears, over and over again,

Ran through my veins

And then they stopped

"I'll give you a choice" I asked you

So gently

And so gently the answer you gave me were

So fragile, so easily broken

Although I could've left you in the care of  
Death

I instead bestow you the kiss of eternity

Thus you will walk with me

In the hours of darkness

Until the end of time

'Cause "yes" you said

And "yes" is what you've always wanted

You are now

My vampire bride

So now is come our joyful feast  
 Let every man be jolly  
 Each room with ivy leaves is dressed  
 And every post with holly  
 Let all the streets with echoes ring  
 Woods, and hills, and everything  
 Bear witness, we are merry

May you have the gladness of Christmas  
 which is hope;  
 The spirit of Christmas  
 which is peace;  
 The heart of Christmas  
 which is love.

Love so easily understands  
 What you can see is the smallest part;  
 You don't need Christmas in your hands  
 When you have Christmas in your heart.

It's Christmas time around the world,  
 You'll hear the Yule bells ring.  
 It's time for giving, time for love,  
 It's time for hearts to sing.

Merry Christmas to you one and all,  
 Goodwill and happiness,  
 Good health throughout the coming year,  
 May all your days be blessed.

Its Christmas time again  
 The season of renewal  
 Love, faith, charity  
 And all that is beautiful  
 Chimes greatly in to every heart  
 Beating in celebrations  
 Of Spirit, togetherness, and affirmation.

Holiday Joy and Holiday Cheer  
 Gift Giving Time is finally Here

Merry Christmas

It's snowing, so cold in here  
It's blowing, so loud in me  
It's rising, the spirit in me  
Let me say it all right now

Merry Christmas, all the ones  
Merry Christmas, with all heart  
Merry Christmas, all the day  
Santa Clause is on his way

Merry Christmas, all the ones  
Merry Christmas, with all heart  
Merry Christmas, all the day  
Santa Clause is on his way

With a bag full of gifts  
And names over it  
All that had been  
Asked by the kids

Never see him in the dark, yet he comes  
Seeking for the all the ones in the list  
Drops a gift and leaves out and no one knows  
Santa Clause is on his way

Merry Christmas, all the ones  
Merry Christmas, with all heart  
Merry Christmas, all the day  
Santa Clause is on his way

Reindeers he has, pulling him away  
And flying all the way  
Over the hills and the icy lands  
To the worlds greeted by lads

They wait for him and cry for the price  
Jumps up, joys, all snowy around  
And there he comes crying "Ho! Ho! Ho!"  
Santa Clause is on his way

Merry Christmas, all the ones  
Merry Christmas, with all heart  
Merry Christmas, all the day  
Santa Clause is on his way

Tony, Leena, Johnny, Lona, Peter, Joseph,  
Ann, Mary  
All the big list he has  
Gotta wend up, get it tidy, ready, get set and go  
There he goes on the ride

Baby little Jesus, happy with his wits  
Joys with all in there and here  
And there he comes crying "Jingle bells"  
Santa Clause is on his way

Merry Christmas, all the ones  
Merry Christmas, with all heart  
Merry Christmas, all the day  
Santa Clause is on his way

With a bag full of gifts  
And names over it  
All that had been  
Asked by the kids

Never see him in the dark, yet he comes  
Seeking for the all the ones in the list  
Drops a gift and leaves out and no one knows  
Santa Clause is on his way

Merry Christmas, all the ones  
Merry Christmas, with all heart  
Merry Christmas, all the day  
Santa Clause is on his way

Merry Christmas my dear Emma.

Merry Christmas

Happy Holidays

Hmmm ...

*1-I for thee so many kind words and sounds,  
They are the only one I could think of for you,  
loving.  
Their melodious wave, then unexpectedly-steep,  
some creeping, --  
Shall I course, deliberately flattering you?*

*I have for you is so fanciful comparisons --  
But perhaps eh your grasp, even instantly, beauty?  
I have a weird world of silvery visions --  
Would you like to them, I'll take you?*

*You see how much love in this tender, agitated  
gaze?  
I have so long concealed, as I have loved you and  
love you.  
I have for you kisses trembling sea --  
You want it I'll do*

Do you know when we'll meet, every time I do  
not know what will happen: some adventure or  
just a pleasant pastime, but I do know that we  
will laugh a lot, does not it? Say you're a very  
strong start to wait for our meetings? wn?

Emma!

What can I say? I send all my love, and hope you have the most wonderful Christmas. I'll be celebrating with my family, watching Ballet Shoes - it always makes me feel Christmassy, I'm not sure why! Have an amazing Christmas and I'll be thinking of you.

I hope you realise how many people you've inspired, and how many people will hope for you to have the best time. I love you!

Dear Emma Watson,

I'm writing you just for congratulate you for your last work. Also I hope you're having the best holidays with your family, your friends and Jay. I send you my best wishes for this Christmas and I suppose you'll eat all the nutella that your stomach support haha. In this message I'm not going to write all the things that I value of you, it's a kind of project that I've for the future.

Next year, I'm going to travel to London for my winter holidays in July (I'm from Argentina) and my dream is to meet you, yeah, something impossible perhaps but Albert Einstein said once: "If you can dream, you can do it." At first, I was so anxious about that because I thought that my wish was going to be real because, usually, Harry Potter's premieres were in that month but, unfortunately, this year is in November. Now, I'm very excited about this travel but I don't know if you would be there.

I know in the last paragraph I talked to you a lot, probably you just got asleep hahaha. The intention of this letter is to give you the best wishes for this Christmas, this New Year and your holidays.

I hope you, your family, your friends and your pets (I don't forget Bubles and Domino, I really like those names) are all well.

Malena A. Schaffner, your unconditional fan xx

PS: I am sending you a photo that I made. Is a photo of you in "Harry Potter and the Order of the Phoenix" premiere, next to you, I am (It isn't my best face haha). I love that dress and I made a similar one to myself for my best friend's fifteenth party. Also, sorry for all the grammatical mistakes that I probably have, I am working on it.

Emma,

You've been a real inspiration to me over the last year. Its been a troubled year for me, because there have been problems at home with my family - my Mother, who suffers with Manic Depression, moved out not once, but three seperate times. And every time I felt like it was all getting on top of me, I visited [emma-watson.net](http://emma-watson.net), and just seeing what you've been up to cheered me up. You're what I want to be; so clever, so talented, and beautiful.

Have the best Christmas in the world - because you really do deserve it.

Love you, Emma!

With love and hugs,

From,

Megan xxxx
